WORDS OF WELCOME

Dear colleagues,

it is a great pleasure to invite you to the 8th European Colorectal Congress (ECC) from 1 to 4 of December 2014 at the ICM Congress Center, Munich, Germany. This year's topic is:

INNOVATION MEETS TRADITION

There will be again a Masterclass in Colorectal Surgery on Sunday before the start of the Congress where experts will provide pearls of wisdom for the contemporary management of a wide range of Colorectal Diseases in a didactic format, including surgical anatomy and techniques, imaging, and perioperative care.

There will be the opportunity to watch top surgeons live from an operating theatre. Furthermore, we would like to encourage you to hand in free papers on Colorectal Surgery. The best paper will win the Poster Award.

I am looking forward to welcoming you at the Congress in Munich.

Best regards,

Prof. Dr. Jochen Lange
Foundation of Surgery

DIRECTIONS

By car

Road signs in the outskirts of town and throughout the entire city indicate the way to Messe München, the ICM - International Congress Center München

Parking

There are enough parking spaces available. During the congress, the traffic control system will guide you to free parking spaces.

The parking lot and the Parkhaus West parking garage open two hours before the event starts and close two hours after the event ends.

Public Transportation

The suburban train (S-Bahn) station is located directly below the central area of the Munich airport. From there, a train departs for the city center every 10 minutes. There are various routes to choose from to travel between the airport and the exhibition grounds.

By plane

At Munich Airport, you will enjoy excellent national, inter-European and International flights.
